## Teaching

| | |
|---|---|
| 2025–2026 | **Student teacher, 7th-grade life science**, Cedar Hollow Middle School, Portland. Full-year placement, five sections, 142 students. Planned and taught the creek study, cells and ecosystems units. |
| 2024–2025 | **Substitute teacher**, grades 6–8, three Portland-area districts. |
| Summers 2023–2025 | **Field science counselor**, city parks summer camp. Ran pond and stream days for 9–13 year olds. |

## Before teaching

| | |
|---|---|
| 2017–2023 | **Water quality field technician**, environmental consultancy, Portland. Sampled rivers and creeks, ran lab tests, wrote reports for city clients. |

## Education

| | |
|---|---|
| 2026 | **Master of Arts in Teaching**, secondary science |
| 2017 | **BS Environmental Science** |
